

Permatex to Loctite reference chart

DISCLAIMER

The chart below is a description of various Permatex® branded products (or product codes) (Permatex® Products) and corresponding Loctite® branded products (or product codes) which may be similar in design or style (Loctite® Products) as at 1st February 2020. The references to certain Permatex® Products and Loctite® Products on this chart are provided as a comparative guide only and should not be regarded as a representation, warranty or guarantee as to the performance, appropriate use or application, fitness for purpose or merchantability of any Loctite® Product when compared to any Permatex® Product. Due to differences between Permatex® Products and Loctite® Products, please ensure the correct Permatex® Product selection before use or purchase. Please review the product specifications and instructions prior to using or purchasing any Permatex® Product to ensure correct performance for your application. To the full extent permitted by law, Permatex® shall not be liable for any damages of any kind whatsoever arising out of or in connection with your reliance on the information included in the chart below.
